Our Story, from Carden Farm to your Fork....

All our Lamb, Beef & Pork live long, natural lives; grazing ancient meadows on our farm just a mile away. We rear traditional 'Pasture for Life' accredited Hereford cattle, Balwen lamb and Oxford sandy & black pigs; all listed on the Rare Breed Survival register and raised to the highest welfare standards.

We love using local produce wherever we can. Some of our current local suppliers include;

Bourne's Cheese, Leadgate Farm Eggs, Lost Barn Coffee, Local Game from Ed Blake of Horton, apples from our own orchards and vegetables from our own farm garden.
